WHS

Pride Inside!

Dedication

To Mr. Wood

This years yearbook is dedicated to a fine man. He is everyone's friend and always will be. It would only be fitting to dedicate 'Looking Inside WHS' to him because he is a great part of the school.

Mr. C. William Wood was born on December 31, 1936, in Mauston, WI. He graduated from Kimberly High School. Mr. Wood continued his education earning his B.S. at Lawrence College. After which he earned his Masters at Northern, Michigan.

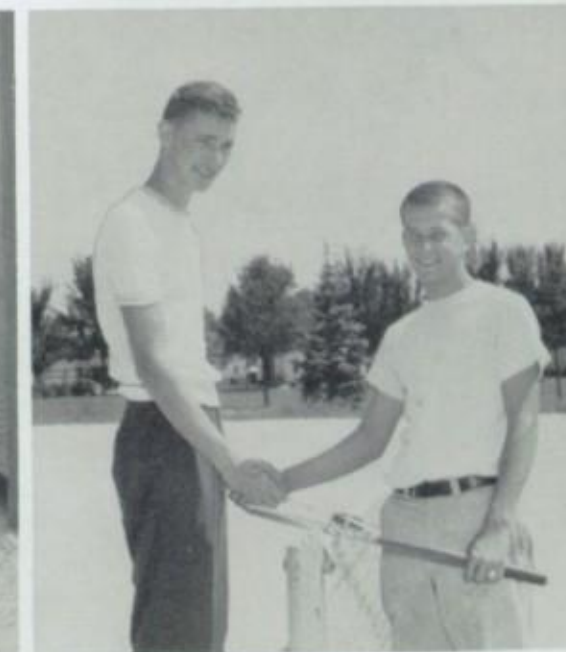

His first job was a teacher at Gladstone, MI, where he later became Assistant Principal. During this time, he was also the basketball coach.

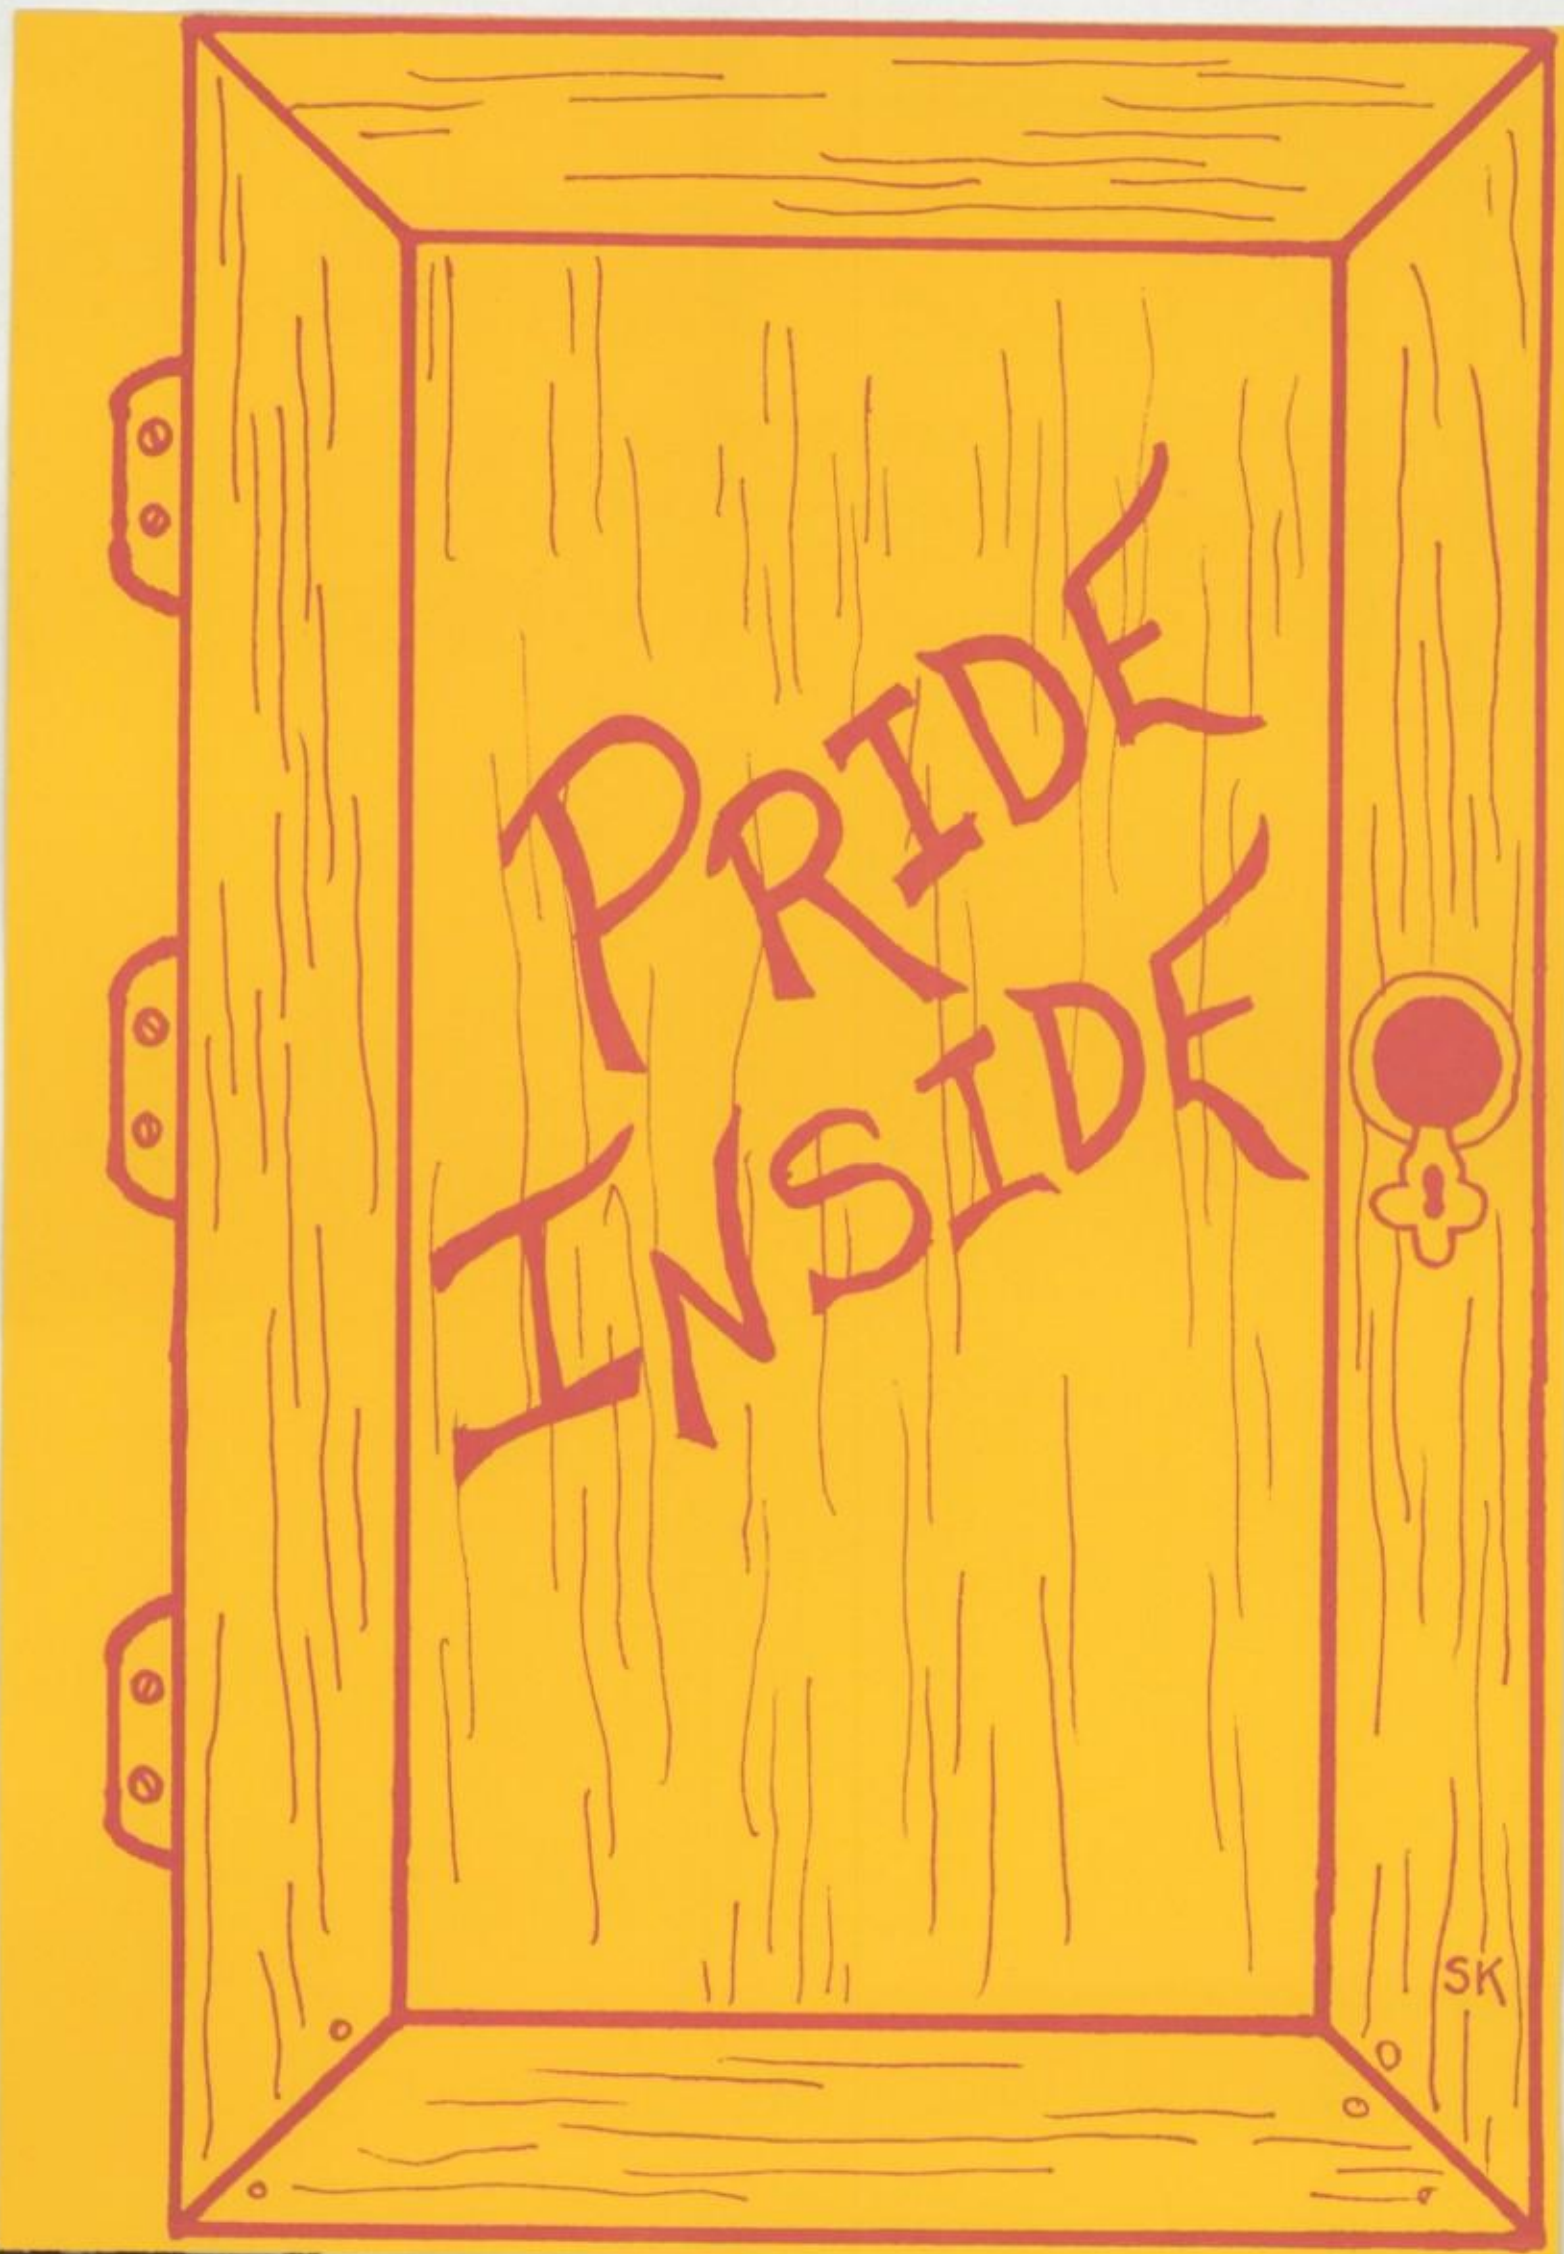

Mr. Wood came to TR in 1968 when he became WHS's Assistant Principal.

He is also the father of 4 children: Chuck, Dave, Cindy, and Wyatt.

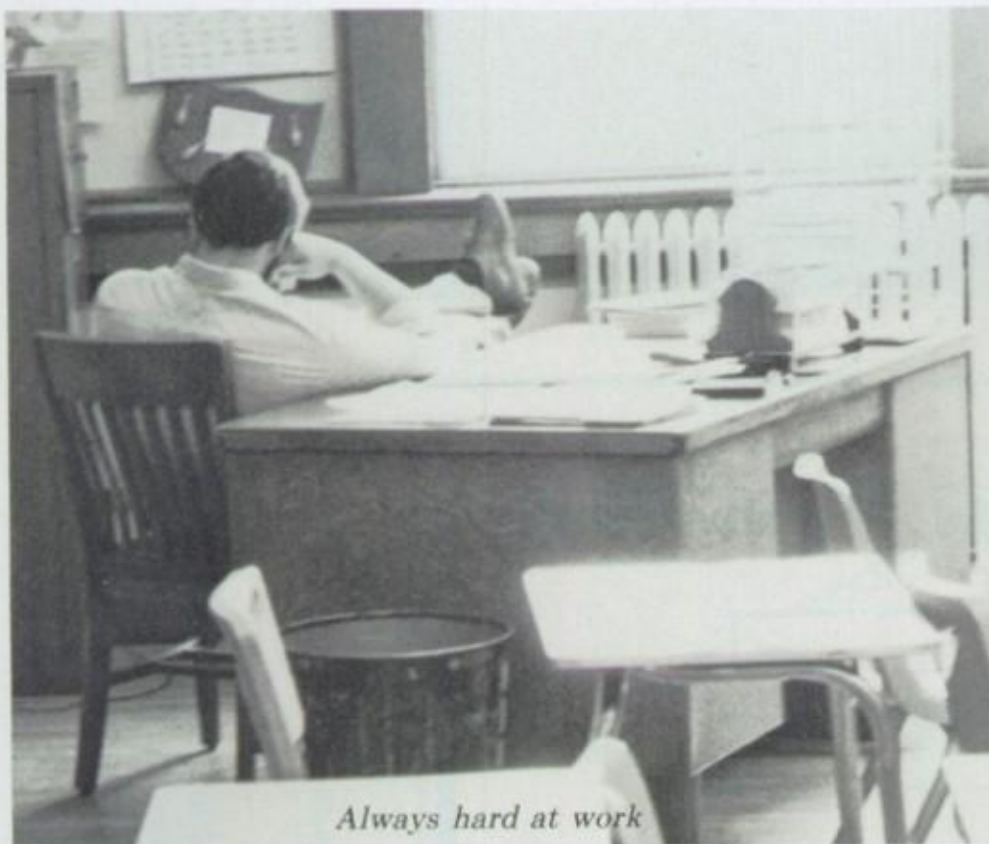

His hobbies include golf, refereeing, investing, fishing, coin collecting, and Disc Jockeying for special occasions. He takes great pride and special interest in his numerous activities, which can easily be shown by the many achievements.

So one could easily say that Mr. Wood enjoys many 'Irons in the Fire' (or enjoys just about everything).

The 1984 Neshotah, **Looking Inside WHS** I knew would be a great challenge, but the rewards were well worth it. Whether anyone realizes it or not, it takes alot of hard work, time, and dedication to make up a yearbook. I'd like to give special thanks to all my editors and the Yearbook advisors, because without their faith and encouragement, we never could have done it. There was one thing I wanted to achieve in this Neshotah, and that was for seniors to have a photograph of memories captured from their last High School Year, and all their pride behind it.

Foreign Exchange . . . Here

I am from Finland. My hometown, Mikkeli, is a fairly small school town in the middle of Finland.

So far my year has been great. People are so nice, especially here in T.R. My favorite food is pizza. I love it! What I have seen and learned is something I will never forget.

I have seen three different countries: the United States, Canada, and Mexico. I've done something that most people in Finland will never get to do, play football. I know I will never again try to make a field goal.

When I go home to Finland, I will always remember the people of T.R. and the spirit of Washington High. Thank you, all of you, for making my year so good.

Denmark

I am from Aarhus, Denmark. My favorite food is tenderloin and anything from McDonald's. Since I've been here, I've been to Florida, Chicago, Milwaukee, and Mexico. I enjoy Two Rivers' cold weather, since it always rains in Denmark. I also enjoy T.R. football and girls.

When I return to Denmark, I will miss 5th hour senior commons and especially Mr. Thompson's reindeer sweaters. I'd like to thank all the people who have made my stay in T.R. so enjoyable.

Niels Boye-Nielsen

I am from Espoo, 12 miles from downtown Helsinki, which is the capital of Finland. I live there with my parents and two older sisters. It was my sister's idea to become an exchange student. So far it has been a good idea. I really like it here.

The things I like most in Two Rivers are Washington High School and my friends. As far as studying goes, it's fun at Washington. I had to take a trip to Chicago before I realized how friendly people are in Two Rivers, and how beautiful the beaches are.

I am mostly going to miss the junk food, especially from McDonalds. All the extra pounds that came with it will remind me of it.

I would like to thank you for a great year.

... And Abroad

Brazil

Olá, that's Hi in Portuguese. I'm staying in an interior city in the state of Sao Paulo called Dracena. The city is very small (a population of 54,000), but is my home for one year.

At this time it's summer for me and I am enjoying every minute of it. While you are in school studying, I'm doing some traveling.

I have been to the Falls of Iguacu, and Argentina and Paraguay. I plan on going to the city of Brasilia, the most advanced Brazilian city in Architecture, to Rio de Janeiro, and to other cities and States in Brazil.

I am enjoying my year in Brazil. Before I know it, this will all be a memory that I will never forget. It will be my second home. I would encourage anyone to apply for this program as it is a chance to see another country and it's culture.

I hope everyone is having a great year up there in the big city of T.R. I'm having an excellent year here in HOT, SUNNY, BRAZIL!!

Dave Teske

My stay in Grünwald, West Germany was cut short because of complications with my German family, school, and Rotary Club. I spent two months in Germany, and learned more in those two months than I could have ever hoped to learn in the United States.

I traveled to places I thought I would only read about in books. These included not only different parts of Germany, but Austria and Italy as well.

Even though I have good as well as bad memories, they are memories that I will treasure for the rest of my life.

This year Washington High School had the privilege of being introduced to a new organization entitled FBLA (Future Business Leaders of America). The major goal of FBLA is to promote business within the school and the community. In order for a student to become a member of FBLA, he or she must either be enrolled in a business course or have taken some type of business course in the past. Through the year, the members of FBLA have been very active in touring local businesses, holding monthly business meetings, bringing in local businessmen to speak at meetings, and getting to know other FBLA chapters. We hope that next year there is as much participation in FBLA as there was this year.

Going To State . . .

Thank yous are not enough to express my gratitude to our seniors. All in all this "team" was the most dedicated I've ever coached. Best wishes to those seniors in their post-high school endeavors. The support that your parents showed this year was just super!

Coach Stapleton

Qualifying for the state meet was a goal for all of the seniors on the Cross Country team. With a number of underclassmen venturing next year, I wish them the best of luck and hope the state meet gave them the experience to qualify next year. All of the time and hard work put into our season wouldn't have meant much without Coach Stapleton. On behalf of the seniors I would like to thank Coach for all of his time and effort he has put into it.

Hey!

Since June, Washington H.S. has been the benefactor of many noticable and unnoticable changes. There have been changes in our teaching staff: Mr. Neustadter-band director, Mrs. Lambries-typing, Mrs. Fischer-language arts and French, Mrs. Rodda-home economics, Mr. Rodda-athletic director, Miss DeChatelets-guidance intern, and Mr. Werth-principal. Each one of these teachers has in one way or another contributed to the positive changes within the school.

Over the summer, the guidance office was moved into Mr. Schmid's old room, and in turn, Mr. Schmid, along with eight additional computers, was moved into Mr. Wunsch's old room.

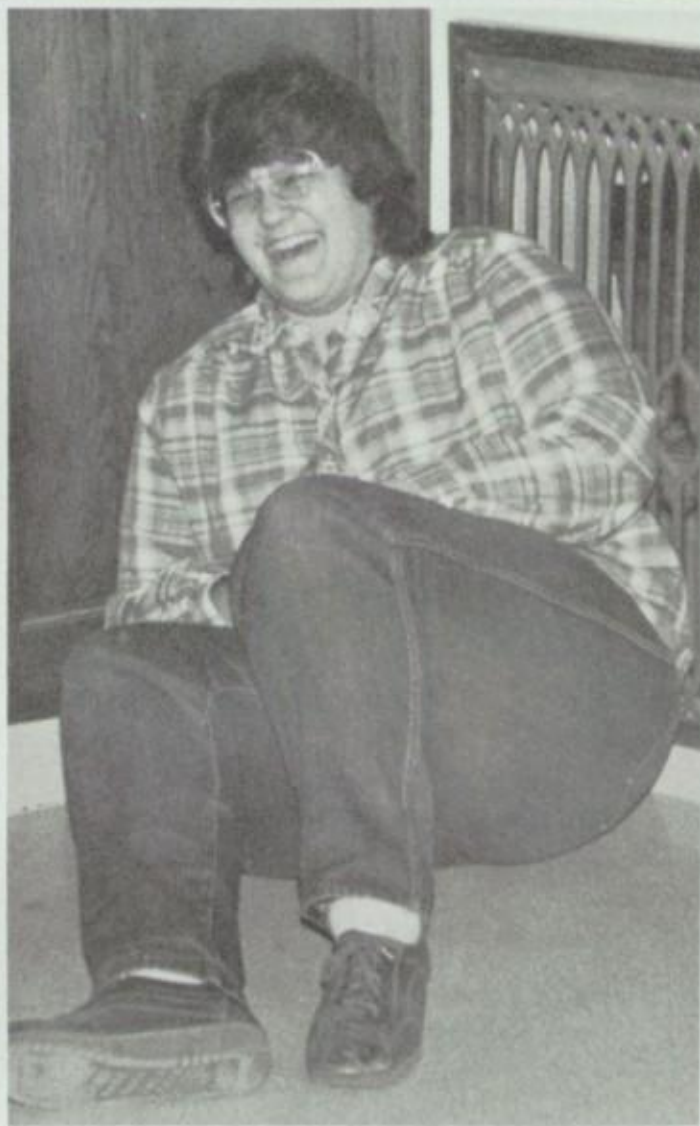

Then on the third floor, there was quite a bit of commotion. Mr. Thompson was moved from the notorious middle room and replaced by the more subdued Mr. Schwantes.

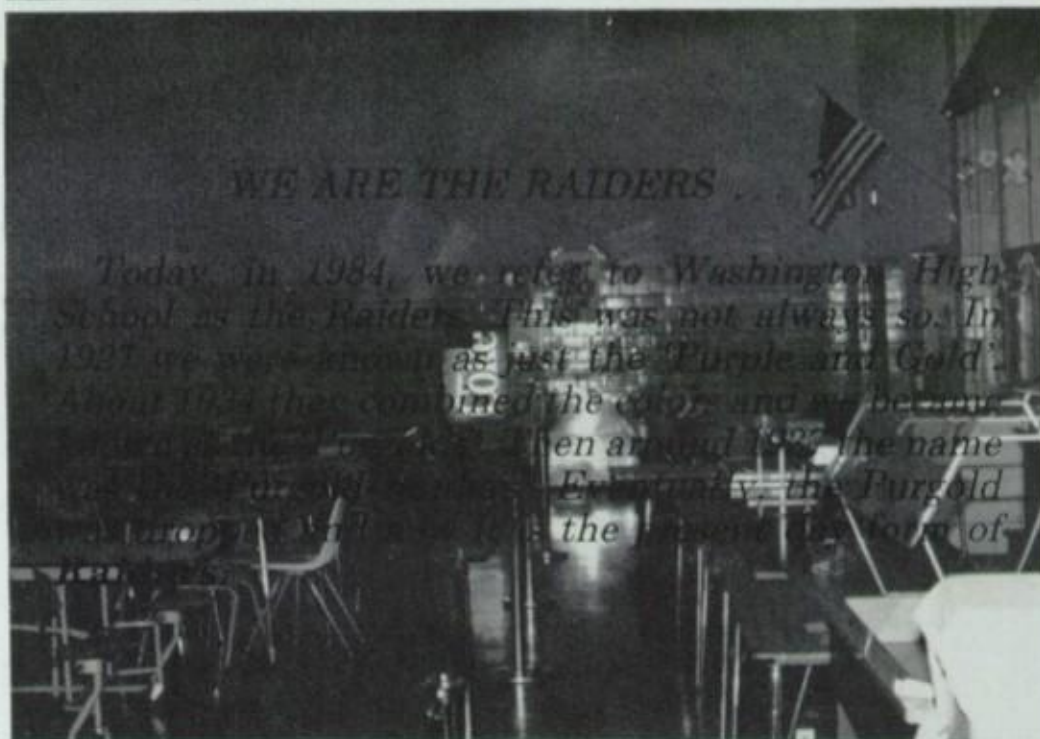

Senior commons got a face lift when the soda machine was installed.

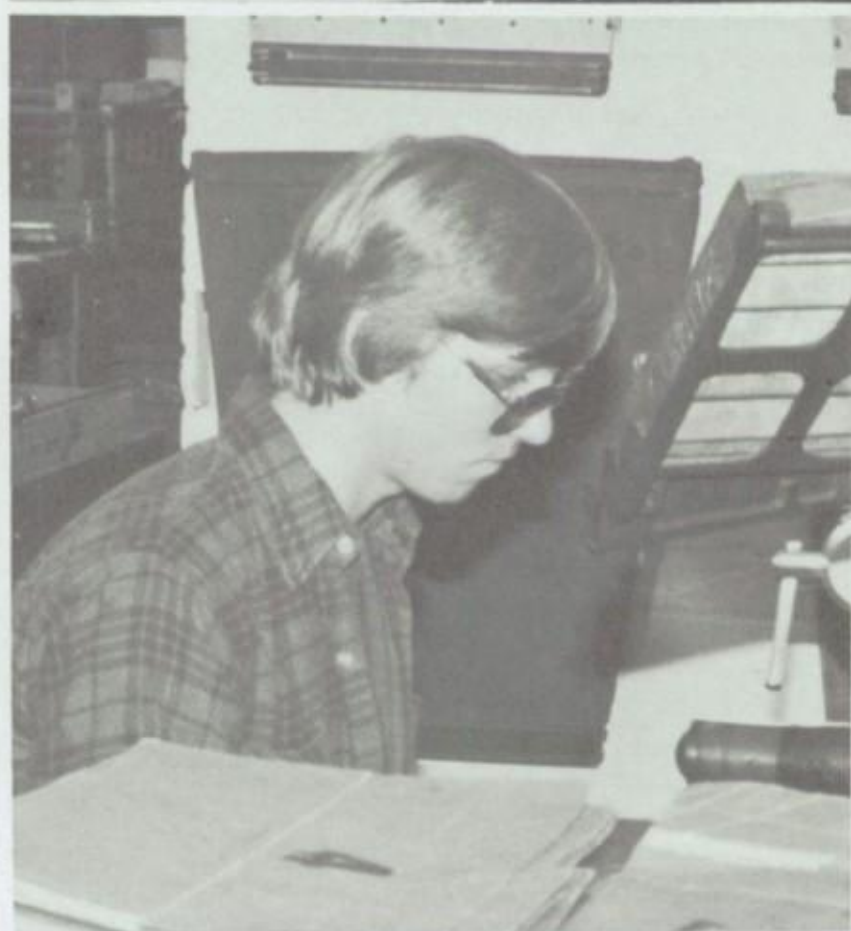

Last, but not least, came the Freshman! Did you notice that they are new?

Many changes have taken place in WHS within the past year, and we would like to welcome the new teachers, counselors, and soda machine.

Midsummer Mink

"The scariest part of the entire ordeal was Friday night, 3rd act, when the play totally fell apart. In my frantic search for lines, I begged for Karen our promptor for a cue. And she said, 'Where are we?'"

-Scott Konop-

"My favorite part was turning Scott's hair into a gray rats nest. He later told me that it took five washes to get it out.

-Sharon Kulhanek-

"It was alot of fun. The ironic thing was that the funniest parts of the play were the ones that we make up ourselves.

Word has been sent down from Washington that the citizens of Dogpatch must evacuate their mountain homes. Dogpatch has been selected as the most unnecessary town in the country, and therefore, is the perfect site for nuclear tests. It appears the town can be saved when Mammy Yokum and Pappy Yokum produce their secret formula of Yokumberry tonic which makes musclemen of weaklings. However, General Bullmoose sends Evil Eye Fleagle to get Mammy's secret formula from Li'l Abner. Meanwhile, Daisy Mae is trying her hardest to get Li'l Abner's attention.

*One day at a time-
this is enough.
Do not look back
and grieve over the past,
for it is gone;
and do not be troubled
about the future,
for it has not yet come.
Live in the present,
and make it so beautiful
that it will be worth
remembering.*
